Republican Convention.

A mass convention of the Republicans of the 33d judicial circuit, composed of Marshall, Kosciusko and Fulton counties will be held in Plymouth, on Saturday, the 20th day of September, 1873, for the purpose of nominating a candidate for Circuit Judge and Circuit Prosecutor.
By authority of the Central Committee of the counties named

—The Knights of Pythias of Indiana, have a grand parade at Indianapolis, on the 24th inst.

—Simon Almon hung himself in Pike County last week, because he had been accused of stealing a bridle.

John Fox, a young man, committed suicide at Evansville, on Wednesday last, by hanging himself to a peach tree.

—Charles Smith, thinks his corn crop will average 60 or perhaps 70 bushels to the acre, and it is not on very good land either.

—Considerable ice Saturday night. Sweet potatoes vines, and other tender plants were badly nipped, in exposed places.

—Our friend, Mr. Hugh Brownlee, had the kindness to bring us a peck of the nicest sweet potatoes we have seen this year. He says his sweet potatoes yield well this year.

—We have been frequently being asked if it was our Marshal Logan, who was fined for intoxication. We answer most emphatically no. It was another Logan.

—We acknowledge the receipt of a complimentary ticket to the North Eastern Indiana Agricultural Association Fair, to be held at Waterloo, October 7th, 8th, 9th and 10th.

—The South Bend Daily Tribune says, "Rev. J. L. Boyd, of Plymouth, son of Rev. G. M. Boyd, of the First M. E. Church, occupied his father's pulpit on Monday, and preached able sermons."

—Potato bugs have been more persistent in their attacks upon potato vines this year, than they have ever before been. In many places they have completely destroyed the vines, and still wander around the hills in search of something to eat; but the frost will soon finish their work for this year.

—A few days ago, Tom very honestly asked after the health of Father Zurwelen's son. The worthy Rev. Father did not exactly understand what it meant. Tom did not explain. He was just a little confused when told that it was another German preacher, who had a sick son.

—To-morrow night Prof. Nichols, with a number of gentlemen and ladies of Plymouth and Argos, will give a grand entertainment in Argos.

—It don't help the town very much to tell strangers that there is nothing doing here. It would be far better to ascertain what is being done, and then report understandingly.

—Mr. Capron, one of the Northern Indiana prison Commissioners says, that a flowing well of water was struck at the depth of 475 feet in the prison, at Michigan city, last Friday. At the depth of 530 feet, water sufficient for all purposes was found. It smells and tastes strong of sulphur.

—We are requested by the Secretary of Plymouth Building Loan and Saving Association, No. 2, to say that the statement of last year's business, will be printed in circular form, and mailed to each member, as it can be better preserved in that way than by publication in a newspaper.

CIRCUIT COURT.

Bernard Trentman, and August Trentman, vs. John Hoham, Charles Hoham and Fredrick Kooztz.

This case was brought to recover judgment against John Hoham, who is solvent and alleged to be a partner of the other defendants, who are supposed to be insolvent. The plaintiffs recovered judgment for \$362.90 against Charles Hoham and Fredrick Kooztz, but failed to show that John Hoham was a partner.

RAILROAD CASE.

T. Sumner and L. Boggs, vs. Plymouth, Kankakee & Pacific R. R. Company. Stands on motion to set aside temporary injunction, for reason that the Company has gone into bankruptcy. Nothing more will be done this term. This looks up in the county treasury about \$14,000 which the tax-payers are anxious to have returned—and which the creditors of the Company are quite as anxious to have the handling of.

In the matter of assignment of H. B. Dickson, the estate was declared finally settled, and assignee discharged. The assignment involved claims and liabilities to the amount of something like \$40,000.

MAYOR'S COURT.

Business very dull; but one exceeding-mild case of intoxication has been acted upon by Esq. Fish, in the absence of Mayor Corbin.

Hiram C. Wright did wrong, by taking a little too much stimulating drink, for which he had to pay \$5 fine and \$3.50 cost.

Clothing for everybody, for sale cheap at Simon Becker's, where can also be found a splendid stock of dry goods for fall and winter use. Be sure to call and see his goods.

Don't Forget It.

The finest lot of Albums in Plymouth, at L. Tanner's Drug and Book Store.

A new stock of groceries just received at Nussbaum & Mayer's. Mr Mayer has just returned from Chicago, where he purchased a splendid stock of all kinds of groceries needed in this market, which they will sell at exceedingly low prices.

Simon Becker has the finest stock of water proof cloaking in Plymouth, and he intends to sell at such prices as will insure a large trade. His stock embraces all the latest and most fashionable colors. Don't fail to call and see them.

On the Wabash river in Indiana, where they have the ague year round, Kress Fever Tonic has been in use for the last ten years. There they call it the King of Ague Cures—and they ought to know. This remedy acts on the very common sense plan of cancelling the ague poison in the system and ejecting it—removing the cause you effect the cure. A box of pills, free of charge, with each bottle, and warranted to cure. Ask Blain & Co. at the drug store, for it.

The cheapest lot of boot and shoes in Plymouth, is now offered by Simon Becker. Everybody can be suited in price and quality.

We are apt, when looking upon some new discovery in the chemical world, and witnessing its practical workings, to wonder how the world could possibly have so long suffered from want without having discovered the great desideratum. Such must be the feeling when witnessing the benefits secured by the occasional use of SMOLANDER'S BUCHE, which is now the great remedy of all family physicians of repute for nervous debility, ulceration of the kidneys and bladder, gravel, diabetes, maladies of the urino-genital organs and all complaints incidental to the female race.

JUST OPENING.

A new and selected stock of good, consisting of dress goods of all shades and varieties, ladies' and gentlemen's furnishings goods, hats, caps, boots, notions, etc. The goods compose the novelties of the season, and have been bought with an aim to please all. Parties will do well by calling on us and see our mammoth stock of goods before purchasing elsewhere. Mr. Wolf has just returned from New York, where he has been purchasing our fall and winter stock, for the past three weeks. Call and see us.

LOCAL NOTICES.

The Best Chill Cure.

Dr. Willhoff's Anti-Periodic cures Chills and fever and all other kindred diseases and prevents the horrid sequelae of malarial poison, such as bloated faces, enlarged spleen, pale, sallow, complexion and shaky nerves.

It contains no arsenic which is used to kill rats and vermin.

It contains no strichnine, used to kill wolves, pole cats and vicious dogs.

It contains no quinine which splits the head and stops the ears.

But its combination is simple, containing only a few innocent drugs that any child or old lady can take with impunity.

Willhoff's Tonic is as safe as it is sure, and a cure guaranteed. 43w2

Thankful for the liberal patronage received, they ask a continuation of the same, and they will merit the same by selling their customers fresh meats, as cheap as the cheapest. July 3-mo3.

Charles W. Mueller, Wagon maker and Blacksmith, comes well recommended from South Bend, as will be seen by the article from the South Bend Tribune, published below. He is a stirring business man, and will accomplish something for Plymouth, as well as for himself. Manufactories is what we need. Our people should encourage him, by giving him their patronage.

Mr. C. W. Mueller, who has been a resident of this city since 1854, went to Plymouth last Friday where he intends starting a wagon, carriage and blacksmith shop. We regret that Mr. Mueller has left us, for in the long years past he has shown himself a good citizen, and has identified himself with all the movements tending to promote the public interest. In his departure South Bend loses a good man and Plymouth gains one; but we hope he may find it convenient and profitable to return to us again.—South Bend Tribune. July 17-3mos.

JOHN S. BENDER.

In our telegraphic columns of this date appears a dispatch from the President of the Singer Manufacturing Company, announcing that the First Prize and Grand Medal for Sewing Machines at the Vienna Exposition has been awarded to that Company. We note that several other companies claim to have received this award, and now we believe the public to be interested in knowing to which company the claim in justice belongs. Time will soon enable us to know the facts, and until the facts are known, it is better to receive these statements with a reserve of judgment.—New York Daily Graphic, Friday, August 22, 1873.

Cheap Watches.

I respectfully offer to the public, upon the most favorable terms, the following unprecedentedly cheap Watches.

The Ten Dollar Watch.

This is a handsome, Heavy Hunting Case Silver Watch—a guaranteed Timer, with first-class movements, and altogether such a Watch as will ordinarily command \$15 to \$20 retail prices. It is exceedingly cheap.

THE FIVE DOLLAR WATCH.

This is a neat, elegant, little Open-face Silver Watch—a real gem in itself. It is a correct time-piece, and recommends itself by its unique design no less than by its cheapness. It only needs to be seen to be admired; possessed to be appreciated. Its cheapness is not a measure of its worth, for it is superior in all respects to many Watches of much greater cost. Order one, and if it does not suit you, you can dispose of it at a nice profit.
That country purchasers may act understandingly, I will send either of these Watches by express, to be examined before purchasing, provided the applicant will remit with his order the sum of Fifty cents, to cover charges. This is an offer which certainly no one who desires a nice cheap Watch can object to.
To persons who would like to engage in a very profitable business, the sale of these watches offer a rare opportunity. No discount is made to such, but nevertheless large profits can be realized.
